Coaches' Tool Chest

Coaches' Tool Chest Approved by MSHSAA as Official Provider for Coaching Fundamentals

Cincinnati, OH July 8, 2026 – Coaches' Tool Chest is proud to announce its official approval by the Missouri State High School Activities Association (MSHSAA) as an authorized provider for coaching fundamentals. This significant designation allows high school coaches across Missouri to utilize Coaches' Tool Chest's comprehensive educational platform to fulfill their state-mandated coaching requirements and professional development standards.

The approval comes at a time when ensuring student-athlete safety and consistent coaching standards is a top priority for athletic departments. Coaches' Tool Chest offers a streamlined, single-platform solution that covers essential coaching principles, sports safety, and compliance requirements. By utilizing this platform, Missouri member schools can easily manage, track, and verify that their entire coaching staff has completed the high-quality training necessary to lead student-athletes effectively.

> "We are thrilled to have earned the trust and respect from the leaders of MSHSAA and the member schools and be granted this approval rounding out our offerings in Missouri," said Jan Wilking, Partner at Coaches' Tool Chest. "Coaches' Tool Chest continues to grow and serve Missouri High Schools throughout the state to provide quality coach education. This approval underscores our commitment to making top-tier athletic coach training accessible and efficient for educators and coaches everywhere."

With this expansion into Missouri, Coaches' Tool Chest continues to strengthen its footprint as a trusted multistate resource for high school athletic associations. The platform's engaging, user-friendly modules are specifically designed to fit into a coach's busy schedule while providing athletic directors with automated tracking to ensure 100% compliance across all sports programs.

About Coaches' Tool Chest

Coaches' Tool Chest is a premier educational platform dedicated to providing comprehensive, efficient, and legally compliant training for athletic coaches. Designed to streamline the certification process, Coaches' Tool Chest equips educators and coaches with vital tools and resources to ensure student-athlete safety, wellness, and peak performance. Through strategic alliances with medical and athletic professionals, Coaches' Tool Chest remains a trusted leader in coach education and sports safety compliance.
